Dear Mr. Green:

On August 11, 2010, the Division received the replacement page for the Notice of Intention (NOI) for the Cottonwood Mines transferring the mine from Lexco, Inc., to Lexco Holding LLC. You are now solely responsible to conduct mining and reclamation operations as outlined in the approved Notice of Intention. Lexco, Inc., is hereby released from any further reclamation liability under this permit. **The transfer is approved.**

You may, at any time submit a notice to amend/revise any portion of the approved NOI. Please use form (MR-REV MR-REV(SMO/EXP) located on the Division's website www.ogm.utah.gov/minerals. You may not implement these changes until you receive Division approval of the amended/revised NOI.

The approved stamped replacement page is attached. Thank you for patience in completing this permit transfer. Please refer to file M/047/0064 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Leslie Heppler at 801-538-5257.

Sincerely,
